# Select the most relevant engine in Translation Option

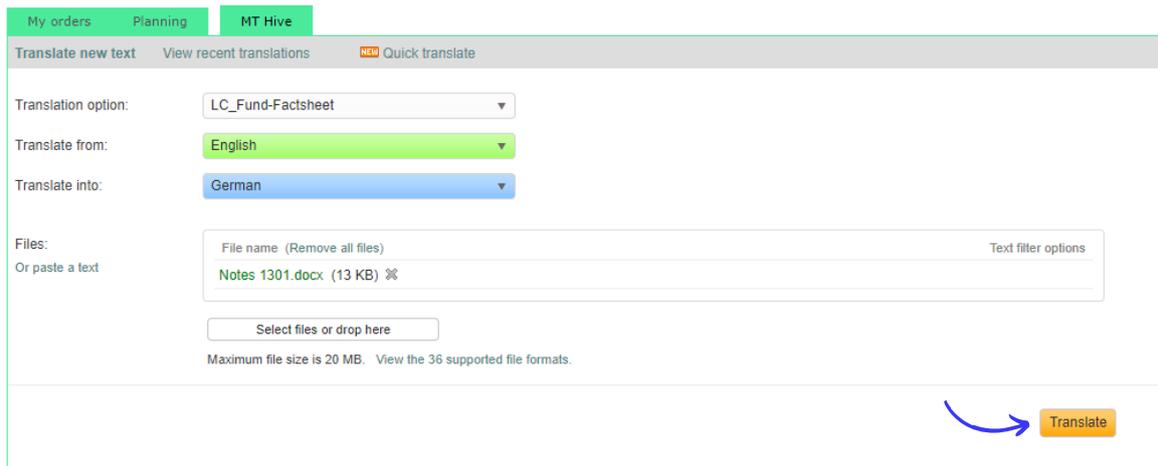

Each of our engine is specialised by document type for maximising translation performance.

Then choose the source and target language and upload the document you would like to translate.

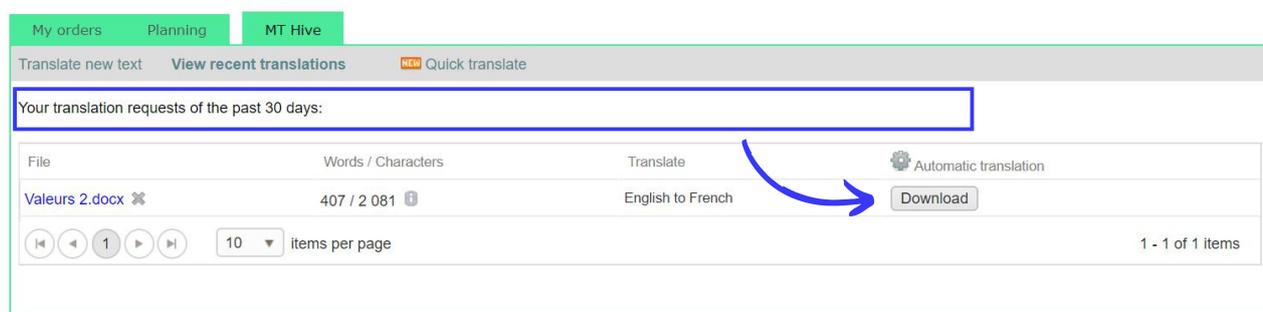

And click on **Translate**

## Your document / text is being translated

Once completed, you will be able to download the translated document in the same format as the original document (except for .pdf for which the output is in Word)

## Explore Page and engines mapping

The Explore page is a dedicated space where you can find useful information about machine translation, such as the interactive engines map.

To access it, [click here](https://www.linguacustodia.finance/en/explore/) or go to: <https://www.linguacustodia.finance/en/explore/>

## Client Support

Very occasionally, an error message such as “translation failed” may appear: an Internet connection issue may have occurred. In that case, we first recommend you try a second time.

If the message appears again, please send an e-mail to [support@linguacustodia.com](mailto:support@linguacustodia.com) with the document you wish to translate for our team to analyse the issue and promptly deal with your request.

You can equally contact Lingua Custodia on +33 1 80 82 59 70 should you have any questions or need assistance with Verto.

Note : Should you have any doubt regarding the choice of the relevant engine to your needs, we invite you to contact our team for immediate assistance via +33 1 80 82 59 70.
